HAKKIMIZDA

Aluaks Aksesuar 25 yıllık uygulama tecrübesini ve deneyimini kullanarak. Bu kapsamda 2016 yılında 1000 m2 kapalı alanda Aksesuar faaliyetine başlamış olup teknik kapasitesi ve özgüveni yüksek, kendini geliştiren yapısıyla faaliyetine devam etmektedir. Projelendirme, tasarım, estetik üretim imalat ve montaj aşamalarında gerekli olan eğitimli mimar ve imalat kadrolarını birleştirerek, hedeflerini her geçen gün daha ileriye götürmektedir.

Alüminyum modern yapı tekniği ile birlikte yapı fiziğinin gereksinimlerini Aluaks Aksesuar yerine getirecek bilgi ve tecrübeye sahip bir firmadır. Başarının ekip ruhu ile kazanılacağını bilincinde, Özel üretim ve prestijli özel ihtisas isteyen her nevi tasarımların standart dizayn ve detaylara bağlı kalmadan özgün bir biçimde gerçekleştirir. Bunun için gerekli ekipman ve tesis içi ekipman sürekli geliştirmeyi ve müşteri memnuniyetini ön plana alır.

Aluaks Aksesuar üretim ve sevkiyat yönetimi konusunda müşteri odaklı olarak çalışmaktadır.

Müşteri memnuniyetini kendi memnuniyeti olarak hedef almaktadır. Kaliteyi ve estetiği kendine prensip edinen firmamız en hızlı ve en iyi hizmeti en uygun fiyata tüketiciye sunma ilkesiyle hareket etmektedir.

ABOUT US

Aluaks Accessories using 25 years of application experience and experience. In this context, it started its accessories activities in 2016 in a 1000 m2 closed area and continues its activities with its technical capacity and self-confidence and self-developing structure. By combining the trained architects and manufacturing staff required in project design, design, aesthetic production, manufacturing and assembly stages, it is moving its targets forward day by day.

Aluaks Accessories is a company with the knowledge and experience to fulfil the requirements of building physics together with aluminium modern building technique. Aware of the fact that success will be achieved with team spirit, it realises all kinds of designs that require special production and prestigious special expertise in an original way without adhering to standard designs and details. For this, the necessary equipment and in-house equipment continuously improves and prioritises customer satisfaction.

Aluaks Accessories works customer-oriented in production and shipment management.

It targets customer satisfaction as its own satisfaction. Our company, which adopts quality and aesthetics as a principle, acts with the principle of providing the fastest and best service to the consumer at the most affordable price.
